Meeting Minutes

Team 10

26 Feb 2025

1 Meeting Notes

- What is the content of OER?
  - Things would like to share with the community and people can benefit from it.
  - It can be more than just one single OER. It can be separated to each part and may be linked together through different web pages.
  - The GRP includes OER, most of the things can be shared and help somebody in the future.
- The team needs to discuss and decide what to put in the OER and think about the licenses.
- Talk about and decide whether to write a research paper.

2 Plan for next week

- Meeting with stakeholders on Friday (2025.2.28).
- Sign the new SRS with stakeholders.
- Add details of the assets
- Working with the OER.
